

Come on board!

Your chauffeur service - nationwide.

Classics is specialised in event orientated chauffeur service. With the latest model limousines and vans – Mercedes, BMW, Volkswagen – we drive for your event.

Our drivers are well trained, tested and experienced. Versatile language skills, perfect manners and a superior style in dealing with VIPs are self-evident.

No matter, whether you want one vehicle or a whole fleet, no order is too big or too small for us.

What we can do for you...

Chauffeurs and chauffeured vehicles

Regardless where your event takes place: we will drive for you.

Whether at our headquarters in Munich, in Berlin, in Frankfurt or at another German fair or congress location: You always pay the same hourly price and you pay no extra charge for our coming to your starting location.

We drive for you - everywhere.

Would your guests would like to go to a congress-hotel on the sea or in the mountains?

We chauffeur you from the nearest airport or ICE-train station to that location.

According to locality, either with or without a low additional charge.

Do you have guests, who want an individual tour through Germany and Europe?

We don't charge any additional mileage fees, even on long distance travel.

Do you need four-wheel-drive vehicles for your winter event in the mountains?

Or classic cars for a particular event? You can get these and other special cars from us.

Planning and coordination

Before and during your event we coordinate the chauffeur service and provide the appropriate support to your VIP guests. Therefore our on location coordinators will be at your side to ensure trouble free service and flexibility in all necessary program alterations.

Vehicle-Handling | Self-Driving as incentive

Do you want to give your guests the opportunity to drive on their own with any special cars? Possibly a car rallye or just a fleet of convertibles or 4x4s?

We provide the whole service: Delivery of the cars, care of your guests, planning and realization of this event.

With experience and competence

Let us show you.

Classics was established as a classic car rental company in Dresden in 1998. Today we specialize in chauffeur-service with new limousines and minibuses for fairs and congresses.

With our move to Munich in 2006, Classics is even better able to serve customers nationwide.

Three good reasons...

Why you should choose Classics Chauffeur Services as a partner for your event:

- The same price in all major German cities
- The latest model cars
- Transfers to any possible location

Our most precious freight is your guest.

The transportation of VIPs is our stock-in-trade. We work only with a well selected team. Perfect appearance of both chauffeur and limousine are self-evident.

The maximum age of our cars is one year.

At the beginning and at the end of your event your guest goes through our hands.

We know that our performance influences the total impression of your event.

Therefore, we do everything so that your guests feel safe and comfortable
